Nestled amidst the breathtaking Tonto Hills, this home is a symphony of architectural elegance and natural splendor. Perched on over 2 acres, it stands as a testament to luxury living with unparalleled 270-degree views of the Tonto National Forest.

The property boasts an updated main house, encompassing 3,363 square feet of southwest territorial design adorned with hand-painted tiles and Brazilian cherry flooring. A kitchen with custom cabinetry, stainless steel appliances, center island and granite countertops anchors the living space, while a wrap-around deck captures the awe-inspiring panoramic views! The dining and family areas are separated by a two way fireplace but have an open feel with walls of windows to enjoy the view. A cozy living room with fireplace off the entry foyer as a touch charm.

In addition to the main house, a guest casita, with its own entrance, serves as an additional living space for friends or a multi-use space. This charming 876 square foot abode features a fully equipped kitchen, stackable washer and dryer, a bath, bedroom, and a cozy living room. The primary suite has a corner fireplace, private patio access and a spa-like bath with oversized walk-in shower with tile surround, walk-in closet and dual vanities.
